

Sex for Older Men with Younger Women

Older men sometimes have the desire to rekindle the fire of their youth. You may call it Midlife Crisis. Others call it the need to shine again. Alpha Males, especially, will try to rekindle the fire in their lives with younger women. It is the nature of the beast that we call men. There are rules to be observed, there is respect to be paid, and discretion must be a priority. Observe the small points of courtship, the finer notions of seduction, and wrap it all into the cloth of generosity. Intelligence will let you be successful in the chase, intelligence will let you preserve a May to December relationship. Avoid the pitfalls, lose the ego, use charm instead of pressure! Here, you will learn some of the unwritten codes of conduct for older men pursuing younger women. No matter if a long-lasting relationship, a one-night stand, or the advantages of a Sugar Daddy arrangement, there are rules of conduct and understanding to be followed.
