

## Because You Are My Friend

This tender and moving story about growing up and expanding friendships displays the beautiful relationship between mother and child. Snowy and his mommy are best friends; they do everything together, just the two of them. Little by little, Snowy is growing up, and one day mommy teaches him a new game: making friends. Brave and full of heart, Snowy sets off in hopes someone might like to be his friend. Along the way he meets a cast of many strangers, including an unfriendly sea gull, a playful seal, a bunch of quarreling penguins, an old walrus, and a young polar bear. The soft fleece coating on Snowy and his new-found friend, and the many comforting illustrations of this gentle story convey the true meaning of friendship and love.
