

## Dear Bunny - Audio (Scholastic Reader Along, Listen and Imagine!; Ages 3 - 8)

Tino and Teeny are two lovestruck bunnies living a mere hop, skip, and jump apart. If only they could overcome their shyness and be friends! Tino has an idea: leave a tender letter for Teeny in the hollow log. Soon after, Teeny has the same thought. But before each can discover the others note, it starts to rain. And when a family of cold, wet mice seeks shelter in the log, what better to keep them warm than letters, chewed, chomped, and shredded just so? Luckily, the sun returns and, realizing what theyve done, the matchmaking mice help Tino and Teeny piece together their true feelings.
