

Vermont: A Glimpse of its Scenery and Industries (Souvenir booklet)

This book, Vermont, a glimpse of its enemy, by Spear, Victor I. [from old catalog], is a replication of a book originally published before 1893. It has been restored by human beings, page by page, so that you may enjoy it in a form as close to the original as possible. This book was created using print-on-demand technology. Thank you for supporting classic literature.
