

Childrens Book: I wish I could be a princess (funny bedtime story collection)

If you could be a princess, which princess would you be? There's so many to think of, and all of them are so special. In this well-illustrated and delightful rhyming story for children aged 3 to 9 years old, a young girl spends her morning pretending to be the Princess of Lions, the Princess of Pirates, a Fairy Princess and those are just the start! She has so many costumes in her closet, which means that she could be the princess of anything she likes. All young girls love to pretend to be princesses and in truth, to their parents, all of them are!
