

Dinosaur Construction Kit T. Rex

A roaring great read with a build-your-own-dinosaur to create and collect! No glue or cutting required - just slot the pieces together to make your super T. REX TOY! Join mighty T. rex for an incredible day in his life as he explores his world and hunts for food. Then bring him back to life by building the amazing easy-to-assemble 3D model. No glue or extra materials are needed to create this robust model. The perfect gift for all dinosaur fans aged 3 and up: each construction kit contains a jaw-dropping 24 page book and sturdy press-out pieces. Shortlisted for innovative childrens book of the year in the Junior Design Awards (2015). Look out for Dinosaur Construction Kit Triceratops. Also available from Susie Brooks: Insect Emporium. Award-winning author, Susie Brooks has a first class history of art degree and has worked as an editor and author of childrens non-fiction and picture books for over 10 years. Shes an artist herself and sometimes runs workshops for young children. Jonathan Woodward is an environmentally-friendly wildlife illustrator, working with a mixture of cut paper and digital collage. His work has been used by zoos, aquariums, educational toy companies and publishers, and Jonathan was also a commended finalist in 2011 and 2012 in the BBC Wildlife Artist Of The Year competition.
