

Divine Intuition: Your Guide to Creating a Life You Love (Whole Way Library)

The Natural Care series introduces familiar and lesser-known alternative therapies. Each book covers practical techniques supplemented by simple theory and explains when self-diagnosis is appropriate or consulting a professional is a wiser option. This title explores the myriad ways to tune into your own natural gift of intuition and use it to gain insight into yourself and others. It contains visualization techniques, meditations and journal exercises all geared to activating the sixth sense to transform negative thoughts into positive actions.
