

## Steve the Urban Rabbit

Steve the Urban Rabbit is a childrens book written by Karen E. Smith. This is a rhyming story illustrated by the author, followed by Rabbit Bytes or facts about house rabbits and wild rabbits. The book supports transliteracy reading education because it is available in both Kindle and paper formats. Steve lives in the authors backyard. He decides to go for a hop and accidentally leaves prints that he thinks Steve the dog will follow so he tries to fool the dog into thinking he is a larger creature by making his prints look large. Find out what happens when they actually meet.
