

How to Get Laid Before the Main Course - A Gentlemans Approach for the Big Date

Why Every Man Needs to Read This Book
Because every woman I have ever known has told me how even the smartest or the best looking of guys become inarticulate losers within seconds of starting that Big Date. Everything in this book is true and it works! I was born in Africa, grew up in Europe, traveled the world and now live in California doing what I love to do. This book gives you over 30 years of experience from around the globe of how to successfully engage with beautiful women of different cultures and ethnicities. You don't need money, looks or luxuries. Do it right and within 30 minutes you will go from Rookie to Rock Star. In addition, this book gives you the tools, tips and techniques proven to succeed—even with women totally out of your league. Buy the book and join our growing community of amazing men.
