

## Booties Great Adventure

Meet Bootie, a very precocious little kitty. One day, Bootie is told that she will be taken by strange people to a new home. But Bootie loves her family so much and wants to stay with them. As much as she grows to love her new family, she realizes nothing can take the place of her sisters and mother. So she takes off on her own, going through surgery and other perils to get there. Her adventure brings her some great new friends and a very special surprise. This is an irresistible story for young readers due to its fast pace and warm spirit.
