

Harrietts Homecoming: A High-Flying Tour of Cincinnati

After crashing into a skyscraper window in downtown Cincinnati, Harriett, a young peregrine falcon, is rehabilitated and released from the top of the Carew Tower by a wildlife officer. Join Harriett on her adventure as she searches for home and visits the many wonderful sites in Ohio's queen city, including the Cincinnati Museum Center, the Krohn Conservatory and Findlay Market. Harriett knows that her nest is near Fountain Square, but how will she get there? Young readers will enjoy this fun, informative and beautifully illustrated tour of Cincinnati landmarks.
