

## I Walk at Night (Picture Puffin Books)

In the dark of night a sleek prowler sneaks through the kitty door. Although content to curl up in a warm lap in the bright sunshine, when eyelids close, the lure of the outdoors calls to the wandering feline. And the ever mysterious, always curious explorer embarks on a midnight journey full of dreams. Lois Duncans quiet, evocative text and Steve Johnson and Lou Fanchers lush paintings depict the elusive other life of one familiar housecat. Young feline fans will be drawn to this portrait of cats doing what they do. (Booklist)
