

The Little Red Marble: Adventures in the Ocean

The lost time in the ocean of the Little Red Marble is filled in in this fantastic, highly illustrated second book. Undersea the marble encounters dancing jellyfish, a race between lobsters and crabs (lobsters go backwards and crabs race side-wise), a mermaid brings it to a tea party, it gets swallowed by a whale and it is carried near shore by a flying fish. Mixed in with the fantasy are factual bits about undersea creatures.
