

The Last Days: The Last Pope - The Antichrist and the False Prophet

Newly appointed Pope, Francis I, is not only supposed to be the last one, according to the ancient prophet Malachi, but it is claimed that he will also be The Anti-Christ! So how can he be the Last Pope and how could such a devout Christian be labelled The Antichrist? Other entities predicted to appear in The End Times are The False Prophet and The Beast, which will allegedly force everyone to worship him and his image, have his name written on their foreheads, or be killed! It is no wonder that people, including Christians for whom the Bible is written, dismiss the Book of Revelation as pure nonsense! It looks a grim future indeed but it may come as a tremendous surprise to learn the truth about the Beast 666 and the Image of The Beast, which are in fact two separate entities and have both fulfilled their prophecies and passed into obscurity years ago. This book attempts to put together a complete picture of predicted Last Days and understand what could happen, using information contained in The Bible, but interpreted with 21st century knowledge and understanding.
