

Itty and Bitty: Two Miniature Horses (Itty & Bitty)

Itty and Bitty are a delightfully odd equine couple. Bitty's a bit of a slob, while persnickety Itty loves to show off. Though opposites, they're best friends, and no matter what they do - watch TV, dance a jig, even drive a car - trouble follows! Dana Bauer's whimsical watercolor illustrations are full of the visual puns children love.
