

## Little Red Riding Hood

Gennady Spirin, in his adaptation of the Brother Grimms earliest version of Little Red Cap, tells the story of a young girl in a red hood who takes a cake to her sick grandmother. Along the way, she meets a wicked wolf who tricks her into thinking hes her granny. Sumptuous illustrations, inspired by the golden age of Dutch painting in the 17th century and Renaissance, capture the charm and spirit of a tale that has remained steadfast in oral and written versions throughout the centuries. An Authors note about the tales history is included.
