

Witness on the Run (Love Inspired Suspense)

A gun firing. A man killed. Running for her life. That's all Robin Strand remembers of the shooting she saw. With fear-induced amnesia, she can't identify the killer, no matter what the police say. The only one who believes her is private investigator Jake Walters. And he's the one who steps in to rescue her when her safe house is discovered. As they struggle to stay one step ahead of danger, Robin needs Jake more than ever. With his faith and training as a guide, they work together to bring back her memory. Before the killer can ensure that she never remembers.
