

Margie Makes a Difference (Lady Tigers) (Volume 2)

The Lady Tigers were all about being a team. From the very first tryout, Margie, Trish, Sally and Nikki, with the help of their coaches, found they were a force to be reckoned with. But like all teams, the girls find that even the highs of winning cannot crush the painful lessons of hardship both on and off the field. When Margie's dad is called away to serve his country, the Lady Tigers must band together to make a difference in the lives of military kids on the base. But will their efforts be a success or a big strike out?
