

My Vancouver Sketchbook

An aspiring young artist and poet, Marina delights in recording her impressions in her sketchbook - her subject: the beautiful city of Vancouver, Canada. From dawn to dusk, she travels throughout the city writing and sketching what she sees. Her playful and vibrant recordings bring the colorful spirit of the West Coast city to life. With the successful combination of vivid and lively illustration from Greta Guzek and the rhythmic and playful text of Robert Perry that we know from *The Ferryboat Ride*, *My Vancouver Sketchbook* is sure to delight both visitors and residents alike and to inspire creativity in children everywhere.
