

Nini Lost and Found

A simple and simply beautiful story for young cat lovers. One beautiful autumn day, Nini, a little tabby cat, sees that the door is open. The garden and nearby woods seem to beckon her to explore. Nini thinks the great outdoors is really, really, really nice . . . until night falls and strange animals begin sniffing and hooting and lurking about. Suddenly there is no place like home. This warm and reassuring picture book speaks to children whose curiosity has tempted them to run away from home. Caldecott Honor Book artist Anita Lobel's illustrations have never been more beautiful. Endearing portraits of her own beloved Nini cat in a lush autumnal setting will gladden the hearts of cat lovers of all ages.
