

## Little League Softball Champs

A FASTPITCH SOFTBALL BOOK FOR GIRLS or THE GIRL IN YOU --- Toni Evans The crack of the bat creates drama on the diamond and in a girls fastpitch softball league the drama can bleed off the field and into the lives of the players, coaches, parents, and fans. With fast-paced fastpitch action, the umpire screams PLAY BALL and the games begin, merging the real world of young 10 - 13 year old females with their competitive spirit and passion for winning fastpitch softball games. Imagine their emotions with egos flying as the dust settles. Will their pain and their joy finally merge with their dream and provide the determination they need to bring home the ultimate prize? Can they deal with the most important issue that derails so many teams and surprise us all?
