

## The Spectacular World of Waldorf: Mr. Waldorf Travels to the Huge Russia

The Spectacular World of Waldorf allows children to discover new places in the USA & Worldwide through humorous and intriguing travels for the picture book age reader. Bright-detailed illustrations combined with the attention savvy stories allow parents, educators and more to introduce the world to small children in a format while grabbing their attention. This comical Labrador draws children into his whimsical adventures in search of his lost reading spectacles. The poor pup has a habit of misplacing them but children will be enticed into his many travels to help silly Mr. Waldorf locate them as he discovers new friends and places in a format that small children will easily recollect and adore. On this adventure, Mr. Waldorf discovers the huge Russia. The curious canine encounters fun new friends and places while visiting Saint Petersburg, the Ural Mountains, Lake Baikai, Russian State Library & more. Silly Mr. Waldorf has a tendency to misplace his favorite reading spectacles and cant seem to find them while discovering the largest country in the world. Mr. Waldorf will learn all about Russia, while seeking his missing spectacles. Will you help him find them and learn all about this historical and enormous country?
