

Going Places (Pull and Look Series)

These delightful books, full of teddy characters and their day-to-day activities reveal a surprise on every page. Just pull the tabs on each side of the spread to find another picture underneath, and see the whole scene expand in size. Follow the teddybears as they bake a cake, tend a garden, learn how bees make honey, and blast off into space. These and many other fascinating activities offer an entertaining learning experience through a simple text, charming illustrations, and the surprising pull-and-look format.
