

Wild Kat McCrumble

A hilarious story about the escapades of Kat and her many animal friends. Kats wild about animals. She and her dad run the Crumbling Arms Inn and animal sanctuary, deep in the Scottish Highlands. Its chaotic, but fun. Then one day a strange McCrumble called Vladimir arrives and claims that the inn is rightfully his. Kat and her dad could lose their home. And if that wasnt bad enough, someone has been trying to poison the local wildlife too. This makes Kat really wild, but, as always, she has a plan.
