

Grits and Glory (Glory, North Carolina, Book 3) (Steeple Hill Love Inspired Suspense #110)

A killer tries to make the hurricane that blew through Glory, North Carolina, look like the bad guy. But Storm Channel cameraman Sean Miller knows the body buried under the rubble wasn't the victim of a fallen church steeple. Feisty secretary Ann Trask seems to be the only person who agrees with him. But the woman of Sean's dreams is busy being romanced by a phony celebrity weatherman, who cried on cue and hid during the first strong gust of wind! Which means it's time for Sean to invite Ann for some serious off-the-air investigation....
