

The Mellops Strike Oil

Tomi Ungerer's intrepid family of pigs faces new challenges in this delightful tale first published in 1958. Bad-tasting water from a woodland brook prompts Mr. Mellop to look for oil, a decision that leads to a gushing well promising great riches -- until a raging forest fire intervenes. But not to worry. By the end of the story, the Mellops are safely back home enjoying cake and ice cream.
