

The Spectacular World of Waldorf: Mr. Waldorf Travels to the Mysterious China

The Spectacular World of Waldorf series allows children to discover new places in the USA & Worldwide through humorous and intriguing travels for the picture book age reader. Bright-detailed illustrations combined with the attention savvy stories allow parents, educators and more to introduce the world to small children in a format while grabbing their attention. This comical Labrador draws children into his whimsical adventures in search of his lost reading spectacles. The poor pup has a habit of misplacing them but children will be enticed into his many travels to help silly Mr. Waldorf locate them as he discovers new friends and places in a format that small children will easily recollect and adore. On this adventure, Mr. Waldorf discovers the mysterious China. The curious canine encounters fun new friends and places while visiting Beijing, discovering the Great Wall of China, climbing Mount Everest and traveling the Yangtze River. Silly Mr. Waldorf has a tendency to misplace his favorite reading spectacles and cant seem to find them while discovering The Peoples Republic of China. Mr. Waldorf will learn all about China, while seeking his missing spectacles. Will you help him find them and learn all about the ancient and beautiful country?
