

## The Wishing Ball

Nellie is a stray cat who wishes she had a house to live in, warm meals, and a best friend. When a crafty crow overhears her wishing, he decides to play a trick on her for his own amusement - which is how Nellie ends up putting all her faith in a rubber ball she believes to be a magic star that grants wishes. But even though it's not a magic star, the rubber ball turns out to be just what Nellie needs. When the ball bounces out of her grasp, Nellie chases it into a faraway town, and one by one, all of her wishes come true. This is the story of a delightfully surprising chain of events, with lively illustrations, a colorful cast of creatures, and hidden details on every page.
