

## The Wolf of Wall Street (Movie Tie-in Edition)

Now a major motion picture directed by Martin Scorsese and starring Leonardo DiCaprio NEW YORK TIMESBESTSELLERBy day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in Jordan Belforts own words, is the story of the ill-fated genius they called the Wolf of Wall Street. In the 1990s, Belfort became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall Street and into a massive office on Long Island. Its an extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millionsuntil it all came crashing down. Praise for The Wolf of Wall StreetRaw and frequently hilarious.The New York Times A rollicking tale of [Jordan Belforts] rise to riches as head of the infamous boiler room Stratton Oakmont . . . proof that there are indeed second acts in American lives.Forbes A cross between Tom Wolfes The Bonfire of the Vanities and Scorseses GoodFellas . . . Belfort has the Midas touch.The Sunday Times (London) Entertaining as pulp fiction, real as a federal indictment . . . a hell of a read.Kirkus Reviews
