

## Trick or Treat, Smell My Feet

Gilbert's little sister, Lola, wants to do everything her little brother does. She wants to go to school. She wants to march in the Halloween parade. She even wants to dress up just like Gilbert -- as a Martian Space Pilot. But Gilbert doesn't want Lola tagging along. And he definitely doesn't want anyone else to copy his costume idea. He's determined to have the most unusual outfit in the entire school. A madcap, mixed-up masquerade is in the store as both Gilbert and Lola get exactly what they want -- in the most unexpected ways! Diane deGroat's sequel to *Roses Are Pink, Your Feet Really Stink* is a real treat.
