

# Value Driven Success: From Poverty to Financial Security by Doing the Right Thing

Joe Garcia overcame extreme poverty to become financially independent. This is his story. As a highly successful businessman and entrepreneur, he has sold over \$750,000,000 of personal and business life insurance, making him a LIFE member of the prestigious Million Dollar Round Table. He has held the prestigious designations of CFP, CLU, ChFC and CLTC. In addition, Joe is one of the top consultants in the world for both insurance sales and investments. He is a member of the International Forum; Whos Who in Financial Planning; Northwestern Mutuals Top 20, and has been featured in articles of The South and Southwest and Finance & Industry. The author of articles in many financial industry publications, Joe has been interviewed on numerous national and local radio shows and has been an admired keynote speaker for all types of business conventions, including non-profit organizations. In VALUE DRIVEN SUCCESS, Joe Garcia tells his life story with refreshing candor how, as the son of Spanish immigrants, he grew up in stark poverty, fought prejudice throughout his elementary and high school years, and enrolled in the University of West Virginia with little expectation of graduating. Proving everyone wrong, he earned his diploma and entered the world of insurance sales with a passionate desire to accumulate wealth. But over his years of immense success in business, Joe realized that affluence without integrity and a higher purpose leads to a life devoid of genuine happiness. How he discovered the formula for VALUE DRIVEN SUCCESS should be required reading for everyone who wishes to achieve genuine satisfaction in life. Read Joes story enjoy it and learn.
