

HOW CAN ANYONE NOT LOVE A WAFFLE?

A youngsters recounting of buying waffles, bringing them home, anticipating their arrival on a plate, and the final delicious consumption. Very easy to read, beginner book. It is a picture book without the pictures, just a simple tale. The audience/readers can imagine the pictures easily. It is the enthusiasm of the teller which grabs the reader. Great for reading to a young child, who will soon read for him/herself. Colourful and easy to read large fonts.
